Can God trust YOU with His children?

*Be a M³om...faithfully Maturing,
Modeling, and Marking!*

ENTRY POINT: Read Proverbs 31:10-30. The woman in this Scripture sets a work standard most of us would find impossible to meet! But her *character* is what is most noted and praised. As we seek to know and grow in our relationship with God, these virtues mature in us.

How do you keep spiritually fit in order to mother the children God has entrusted to you?

Is your busy family life centered around God, or do you try and fit God into your busy lives?

What have your children learned from you about running a household with kind and just authority? What are your biggest challenges in this area?

How will your family remember you? Have you marked them with both the fear of God and the full measure of joy found in a personal relationship with Him?

*"Teach your children to choose the right path,
and when they are older,
they will remain upon it."*

Proverbs 22:6
